AGENDA NO. 7 :

7.1. Request for total exemption of Private sector banks from the purview of Tamil Nadu Shops and Establishments (TNS&E) Act, 1947

City Union Bank have been requesting Tamil Nadu Government to exempt private sector and foreign banks from the purview of the TNS&E Act, 1947 since 2002 on various forums and the same was taken up as an agenda in the SLBC meetings held during 2012 to 2015 and again in the 171st SLBC meeting held on August 16, 2022, and after deliberation of the same ACS-FN had requested for a communication. Convenor, SLBC Tamil Nadu vide letter SLBC-TN/MISC/49/2022-23 dated September 06, 2022, had requested Principal Secretary/Commissioner, Labour & Welfare Department, Government of Tamil Nadu to consider exempting all banks from the applicability of (TNS&E) Act, 1947 and make suitable amendments to the Act.

However, Labour Welfare and Skill Development Department, Government of Tamil Nadu vide letter 16207/K2/2022-23 dated January 18, 2023, informed that the exemption request is not feasible for compliance as per the existing rules in force.

In this regard, Dr. N. Kamakodi, Managing Director and CEO, City Union Bank (CUB) vide letter dated November 16, 2023 has again requested Reserve Bank of India to take up with the Government of Tamil Nadu to provide exemption for Private Sector banks from the purview of Shop and Establishments (TNS&E) Act, 1947.

Government of Tamil Nadu had provided temporary exemption under section 19 of the said act to Private Banks and Foreign banks for a brief period of five years from 2001 and beyond which exemption was not provided. Around 12 states including all the southern states have given exemption to Private Sector banks through the exemption provision available in their respective Acts. Public Sector banks were considered as establishments under the Central Government and exempted as per Clauses (c) of sub-section (1) of section 4 of TN (S & E) Act. Further, the nature of operation and business are on the same lines for both Public Sector and Private Sector banks and both come under the regulatory framework of RBI. In this regard, it is requested that, as per Section 19 of the TN S & E Act, the Government may exempt either permanently or for any specified period, any establishment or class of establishments, or person or class of persons, from all or any of the provisions of these rules, subject to such conditions as the Government deem fit.

7.3. FI-Index- Bottom 10 percentile districts

Financial Inclusion (FI) Index has been constructed by Reserve Bank of India to measure the extent of financial inclusion across the country in a holistic manner and three iterations of the FI Index have been published for the years 2021, 2022 and 2023. The value of FI Index for March 2023 stands at 60.1 vis-à-vis 56.4 in March 2022.

During the review of FI Index, it was desired that focus areas and gaps identified through FI Index may form a part of SLBC/ UTLBC Meeting.

Accordingly, the districts, which fall in the bottom 10 percentile of per capita distribution of branches/fixed BCs & ATMs under access parameters and per capita distribution of number of deposit and credit accounts under usage parameters have been identified and mentioned below:

Districts under Access parameter	Districts under Usage Parameter
Kallakurichi	Nagapattinam
Kanyakumari	Vellore
Nagapattinam	
Nilgiris	
Pudukkottai	
Ranipet	
Vellore	
Virudhunagar

7.4. National Strategy for Financial Inclusion (NSFI) 2019-2024 -Implementation of Milestones :

NSFI 2019-2024, inter-alia recommends that all relevant details pertaining to skill development initiatives should be made available to the "new to bank" customers at the time of account opening. Considering that banks do not have a structured mechanism to make such information available at present, feedback was sought on the feasibility of providing the relevant information to the customers at the time of account opening. Banks have expressed willingness to provide relevant skill development information at the time of account opening either in the form of account opening kit or welcome messages or pamphlets/brochures etc.

Accordingly, it has been decided that banks may devise suitable institutional mechanism to provide details of relevant skill development and livelihood support programmes to "new to bank" willing customers at the time of account opening. Banks may source the relevant information from SLBC/UTLBCs website. In this regard, SLBC is advised to update the websites with relevant information. The implementation of this measure should be reported to RBI, Central Office by March 31, 2024.

8.7. Rural Self – Employment Training Institutes (RSETIs)

For the state of Tamil Nadu, there are 38 districts, and the Lead District responsibilities are shared by 4 banks viz Indian Overseas Bank, State Bank of India, Indian Bank and Canara Bank. Out of 38 districts, there are RSETIs in 36 districts. RSETI is yet to be opened in the newly formed Kallakuruchi districts.

Performance of the RSETIs during 1st April 2023 to 31st December 2023

Total No. of RSETIs	No of Training Programs conducted	No of persons trained	Of which				No. of persons secured employment / self-employment	No of trained persons credit linked

35	752	22,854	6,828	949	14,291	786	15,643	8,895

During the period under review, 22,854 persons were trained in RSETIs.

We have received a communication from MoRD, GOI dt 13.02.2023 wherein they stated the credit linkage to RSETI trained candidates is hovering around 50% year to year, which is a cause of concern for the success of the programmes.

Credit linkage a paramount role in setting up entrepreneurial ventures for settlement. SLBC request the member banks to come forward to provide credit to all RSETI trained youth and ensure increase in the percentage of credit linkage.

District wise performance in Annexure 8.7.
